SKILLS

Front-End Technologies

- HTML
- CSS
- SASS / SCSS
- Bootstrap
- Java Script

Back-End Technologies

- Java
- J2Ee
- Spring Boot
- Spring MVC
- Hibernate
- RESTAPIs
- Apache Tomcat
- JDBC

Tools & Technologies

- Eclipse
- Apache Maven
- Git

Database Technologies

MySQL

COURSEWORK

Graduate

Full Stack Web Development Mobile Application Development Cloud Computing

Undergraduate

Programming in C with C++
Data Structures and Algorithms
Internet and Java Programming
